JAYANT MANCHANDA

Junior Full Stack Web Developer

📞 0687844206   @ maanjayant@gmail.com   🔗 https://jayantmanchanda.com/

📍 Utrecht, The Netherlands

PROFILE

I am an independent and motivated developer with a growth mindset and a passion for translating creative and abstract ideas into functional user experiences. With a background in Media Design and a year with web-development, I am looking for professional opportunities as a front end developer.

EXPERIENCE

Full Stack Web Development Trainee

Codaisseur   📅 01/2020 - 04/2020   📍 Amsterdam

11 Week Intensive Coding Bootcamp
- Learnt cutting edge web-based technologies including React, Redux, Node and used them in individual and team projects
- Made fullStack web projects using Scrum Agile process framework
- The program was highly intensive with 40% acceptance rate and 65% passing rate

Freelance Media Designer/Instructor

Sound Designer for movies, Sound installations, Courses
📅 06/2016 - 01/2020   📍 Glasgow/New Delhi
- Worked as part of the sound design team for MIRNE, which won awards at LA Cine Fest, Rome Prisma, and Canada Short Film Festival
- "Songs for a tired city" a sound installation about sonic exploration of New Delhi using Telecommunications exhibited at Goethe Institute
- Designed and taught courses across 5 music schools in New Delhi/Gurgaon
